Art Unit: 2652

1. This application is in condition for allowance except for the following formal matters:

The term "play" in the specification, page 15, line 1; claim 1, line 15; and in claim 9, line 18 is awkward, it should be changed to another equivalent term that refers to "capability to move".

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

2. Claims 1-9 are allowed.

3. The following is an examiner's statement of reasons for allowance:

a) The prior art of record does not teach all the limitations of the claimed invention including:

A loading mechanism in a recording and reproduction apparatus including a tray receiving an information recording medium, the loading mechanism moving the tray between a position at which information is recorded on or reproduced from the information recording medium and a position at which the information recording medium is removable from the tray, the loading mechanism comprising a groove part for guiding the tray, the groove part being provided to one of the tray and a holding member holding the tray; and a projecting part for guiding the tray, the projecting part being provided to the other one of the tray and the holding member, the projecting part fitting with said groove part with play being provided there-between, wherein an amount of the fitting of

Art Unit: 2652

said groove part with said projecting part differs between first and second positions, the first position being more distant from a center part of a portion of the tray on which portion the information recording medium is placed than the second position.

b) The Pub. No. 2004/0105354 A1 has same assignee and inventors as the present invention application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Allen T. Cao whose telephone number is (571) 272-7569. The examiner can normally be reached on Mon - Thurs (7:30 - 6:00).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrea Wellington can be reached on (571) 272-4483. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
